Ronald V. McGuckin and Associates is proud of its Early Care and Education Retainer Program which offers special hourly rates to ECE Programs for legal and consulting services. Ronald V. McGuckin and Associates is a law firm which has specialized in representing Early Care and Education Programs in Pennsylvania for over 40 years. We are able to represent programs in PA as legal counsel. We have consulting relationships with programs in the other 49 states.

Ronald V. McGuckin and Associates has extensive experience in representing the interests of ECE Programs, handling matters ranging from EEOC claims, Licensing Hearings, Private Law Suits filed by parents, Unemployment Compensation, Corporate Law, Wrongful Termination and Child Abuse Claims against Agencies as well as against individual providers. In addition to representing our clients in the midst of a legal action, we provide thorough support via telephone to assist our clients before situations rise to the level of litigation. Our philosophy is to educate our clients so they avoid unnecessary, and often expensive law suits. We are considered national experts in Employment Law, Licensing and Accreditation Compliance, Policies for Families and Delivery of Services to Children, including child with special needs.

As a benefit to our ECE Retainer Program clients we offer special reduced hourly rates, support and guidance on day to day operating management and administrative issues. Clients in PA will also be assured of our availability to represent them should litigation arise. Special Hourly Rates are only available when enrolling PRIOR to having any major legal issue which requires representation. We also offer discounts to all of our training/professional development programs to all retainer/consulting clients.

Acceptance in this program is contingent upon completion of a Retainer/Consulting Agreement and payment of a Retainer Fee. The Retainer Fee is based upon the total number of employees, employed by your agency. The Retainer Fee does not need to be re-paid on a yearly basis as with other firms, but carries over from year to year until it is exhausted. Clients will receive a statement detailing the amount of retainer used and retainer balance for any month in which they use the services of the firm. The Retainer Fees and hourly rates are outlined on the application page.

If you are interested in participating in this open enrollment or would like more information on the firm, please complete the attached application and return via email to Dawn K. Martini at dkgt0409@aol.com. Ronald V. McGuckin and Associates looks forward to providing specialized legal services to Child Care Providers for years to come.
